**DALLAS MOVES TO INVEST IN BETTER FUTURES  
AT AGA KHAN FOUNDATION WALK/RUN**

**DALLAS, TEXAS, OCTOBER 10, 2015.** More than 5,000 Dallas residents moved to invest in long-term solutions to improve the quality of life for communities worldwide at the annual [Aga Khan Foundation Walk/Run - Dallas](#) at the Irving Convention Center. The event was an initiative of the [Aga Khan Foundation](#) (AKF) to raise awareness and funds for programs that work with communities around the world to build better futures.

The event raised nearly \$1.3 million, reflecting the enthusiastic outpouring of support from participants and sponsors across the metro area, including national sponsor, The Coca-Cola Company. 100 percent of net proceeds from the event go directly to projects supported by the Aga Khan Foundation.

Contributions make a tremendous impact in creating locally driven opportunities for girls in Afghanistan to attend school, farmers in Mali to feed their families and mothers in India to lead healthy lives. These are the cornerstones of a thriving community.

The Aga Khan Foundation Walk/Run drew wide community support among civic leaders and local residents eager to help communities in some of the poorest areas of the world improve their quality of life. Irving City Council member Gerald Farris noted, "I am very impressed with the young people involved with the Aga Khan Foundation at such a young age to help people all around the world."

With 200 projects in 30 countries, Aga Khan Foundation cultivates deep partnerships with local businesses, nonprofits, governments and community leaders to harness the best from people of all walks of life. Working with our partners, we make long-term commitments to innovative programs that improve the quality of life, from early childhood education to green space preservation.
